

Thank you for choosing **Our Partner Organizations** for your tag donation.

We take children who have been diagnosed with a life threatening illness, children with prosthetics and disabilities and children of our Fallen Heroes which include Law Enforcement, First Responders and Military. **(Fallen Heroes are those who have lost their lives in the line of duty or if they have become disabled in the line of duty).** We focus on our Arizona children. Starting July 24, 2014 we can now include qualified **Disabled Veterans** for tag transfers.

Please feel free to call me with any questions that you might have. My name is Eddy Corona and my cell phone number is 480-529-8340 email address is [eddy@OE4A.org](mailto:eddy@OE4A.org) .

Instructions:

1. Print out the **“Tag Transfer Affidavit”**.
2. Fill it out and sign it. If you are the parent of a minor child please sign it and make a note on the form that you are the parent.
3. Sign the tag and mail both items to the address on the form.
4. The **“Social Security Number”** is optional and it makes it easier for AZGFD to find you in their system.
5. If the address on the tag is different than the one you use please write your correct mailing address on the back of the **“Tag Transfer Affidavit”**. We mail a donation receipt for your records.
6. The donation receipt could be used as a tax deduction so please indicate the name and address it should be mailed to if different from the tag holders name. Check with your accountant for the deduction.  

**\*\*\*\*\*If tag holder has died please follow these instructions\*\*\*\*\***
7. Print out the **“Affidavit for Obtaining a Tag Transfer from A Decedent” (aka A Person who has passed away)**.
8. Complete the form and have it **NOTARIZED**. If it is not **“NOTARIZED”** we cannot transfer the tag to a qualified participant.
9. We will also need a **“PHOTO”** copy of the death certificate and a letter written by the person donating the tag on behalf of the deceased with their contact information. We do our best to use every tag donated. The more tags we get the better we can schedule hunts around the child’s medical and school schedule and also the parents schedule.

Children are 25% of our population and they are 100% of our future. Thank you once again for helping make a difference in a child’s life and helping say thank you for those who have sacrificed for our freedoms.

If you call please be patient for I spend 4 days out of each week out in the field on adventures for our children and disabled Veterans. I will get back to you as soon as possible. If you wish to volunteer please complete a **“Volunteer Application”** that can be found on our web site under the **“Contact”** tab or **“Participation Forms”**. Donations are welcomed; Monetary, old Camo or camping equipment is always needed.

Sincerely, Eddy Corona
